Find Me on 

Mobile Portrait  
Contact Page

A hand-drawn sketch of a mobile contact page in portrait orientation. The page is enclosed in a rectangular frame. At the top left, there is a wavy line representing a signal strength indicator. At the top right, there are three horizontal lines representing a menu icon. The main content area is a rounded rectangle containing the text "Let's Talk" at the top. Below this, there are three input fields: "Email" with an "@" symbol at the end of the input box, "Subject", and "Message". A "Send" button is located at the bottom of the main content area. At the very bottom of the page, there is a footer area with the text "Find Me On:" followed by four square icons, each containing an 'X', representing social media links.
